I. Introduction

Pursuant to 47 C.F.R. § 54.719, Oklahoma City School District I-89 ("Oklahoma City Public Schools" or "OCPS" or "District"), hereby submits its Request for Review of the Universal Service Administrator's January 22, 2004 Decision on Appeal.

II. Summary

Oklahoma City Public Schools respectfully requests that the FCC review a decision of the Universal Service Administrator regarding E-rate funding for Funding Year 2002. On March 10, 2003, the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company issued a Funding Commitment Decision Letter ("FCDL") which denied Funding Request Numbers (FRN) 855497, 855588, and 855634. On May 7, 2003, the District appealed that decision to the SLD. On January 22, 2004, the SLD issued its Decision on Appeal denying the appeal on the basis that "your application(s) demonstrates factual circumstances similar to those described in the *Ysleta Order* (FCC 03-313 rel. December 8, 2003). The SLD denied the FCC Form 471 Application Number(s) indicated above because you engaged in the same or similar procurement practices that are described in the *Ysleta Order* and attached appendix." Exhibit 15.

III. Factual Background:

1. On January 10, 2000, the District's Board of Education considered and approved entering into a contract with Southwestern Bell Telephone Company ("SBC") for local phone service. Exhibit 1.

2. The District and SBC entered into a written contract entitled Plexar II Fixed Rate Payment Plan Agreement ("Plexar Contract") in March of 2000. The Plexar Contract has an effective date of July 1, 2000 and an expiration date of June 30, 2005. The contract number is OK-4325. Exhibit 2. The monthly cost for the Plexar Contract is \$32,780.75. Exhibit 3.
3. On January 8, 2001, the District submitted an FCC Form 471 for Funding Year 2001¹. The Form 471 includes in Block 5 a request for telecommunications and references a contract with SBC which has an expiration date of June 30, 2005. The Form 471 and the Description of Service Attachment reference a contract number of OK99016. The Description of Service is for local telephone service including POTS, Centrex, DID trunks, 19.8Kb data lines, ISDN lines, and T-1's, approximately 1,500 stations and 350 trunks for multiple accounts. The Form 471 requested \$505,995.81 based on the referenced contract. Exhibit 4.
4. On August 7, 2001, the SLD approved the requested funding for telecommunications services with SBC for Funding Year 2001 in the amount of \$505,995.81. Exhibit 5.
5. On October 16, 2001, the District submitted to SLD an FCC Form 470 for Funding Year 2002 (07/01/2002 - 06/30/2003). The Form 470 provided in Block 7 that it described tariffed services, month-to-month services for which the applicant has no signed, written contract, and services for which a new written contract is sought. Block 8 of the Form 470 lists the telecommunications services which the District was seeking, including basic telephone service and wireless services such as cellular and paging. Exhibit 6.

¹ The District refers to funding years by the year in which funding is to commence. Previously SLD referred to the funding year in numerical sequence. Funding Year 2001 is the same as Funding Year 4.

6. The District received a Form 470 - Receipt Notification Letter dated October 22, 2001 which indicated that the Form 470 was posted on October 17, 2001. Exhibit 7.
7. On January 17, 2002, the District submitted its Form 471 for Funding Year 2002. Block 5 for FRN 855588 requests telecommunications services from SBC. Item 15 refers to Contract Number OK99016. Item 18 refers to a contract award date of July 1, 2000, and Item 20 refers to a contract expiration date of June 30, 2005. Exhibit 8.
8. As set forth in the District's January 17, 2002 Form 471, the District contracts for wireless telephone services and paging services on a month-to-month basis. Block 5 for FRN 855497 for Southwestern Bell Wireless, Inc. specifically states in Item 15 that the Contract Number is "MTM" which is the designation required for month-to-month contracts. Copies of applicable billings for wireless telephone services from Cingular Wireless (formerly Southwestern Bell Wireless, Inc.) were provided with the Form 471. For FRN 855634 for Pioneer Telephone Cooperative, Inc., Item 15 specifies that the contract number is MTM with a service start date of July 1, 2002 and service end date of June 30, 2003. The attachment for Pioneer also indicates that the services are month-to-month services at a rate of \$6.25 per month. Exhibit 8.
9. For Funding Year 2002, Cingular Wireless was awarded a contract by the State of Oklahoma. See http://www.dcs.state.ok.us/OKDCS.NSF/htmlmedia/sw_contracts.html. As set forth in Paragraph 2.23 of the contract, school districts are authorized users of the contract and may purchase services according to the rate plans set forth in the contract. The applicable rate plans for the Oklahoma City area begin on Page 14 and are referred to as BP19503. The

April 30, 2002 Notice of Addendum indicates that the contract was renewed for the period of July 1, 2002 through June 30, 2003. Exhibit 9.

10. In determining to utilize Cingular Wireless for the District's 2002-2003 fiscal year (E-rate Funding Year 2002), the primary consideration was price. The State of Oklahoma conducted a competitive bidding process and selected Cingular Wireless as a service provider. The award of a contract by the State of Oklahoma evidenced that price was the primary factor in awarding the contract to Cingular Wireless. Therefore, the District selected Cingular Wireless based on the prices set forth in the State of Oklahoma contract. The District considered price as the primary factor in ordering month-to-month cellular services from Cingular Wireless based on the rates set forth in the State of Oklahoma contract. Exhibit 9.
11. Pioneer was the only bidder for paging services. The bid proposal sets forth paging airtime at a cost of \$1.75 per month and pager care at a cost of \$2.50 per month. Exhibit 10.
12. After receiving Pioneer's bid, the District and Pioneer negotiated an agreement as to paging services. Pioneer is billing the District for paging services at the rate of \$6.25 per month. Additionally, Pioneer bills for pager care at the rate of \$1.00 per month. The District's Form 471 did not request funding for the amount attributable to pager care. Exhibits 8 and 11.
13. SLD issued a Funding Commitment Decision Letter on March 10, 2003. The Funding Commitment Report sets forth the explanations for the denial of certain requested services as follows:

Affidavit of George Kimball

State of Oklahoma)
) ss.
County of Oklahoma)

I, George Kimball, of lawful age, depose and state as follows:

1. I am employed by Oklahoma City Pubic Schools ("OCPS" or "District") as the Director of Planning, Research, and Evaluation. My duties have included overseeing the purchasing of cellular telephones and arranging for cellular telephone services to be provided to the District.
2. For Funding Year 2002, I was in charge of acquiring cellular telephone services. The State of Oklahoma solicited bids for cellular telephone service.
3. Cingular Wireless was awarded a contract by the State of Oklahoma. A copy of the contract is available at: http://www.dcs.state.ok.us/OKDCS.NSF/htmlmedia/sw_contracts.html as SW105. As set forth in Paragraph 2.23 of the contract, school districts are authorized users of the contract and may purchase services according to the rate plans set forth in the contract.
4. In determining to utilize Cingular Wireless for the District's 2002-2003 fiscal year, the primary consideration was price. The State of Oklahoma conducted a competitive bidding process and selected Cingular Wireless as a service provider. The award of a contract by the State of Oklahoma evidenced that price was the primary factor in awarding the contract to Cingular Wireless. Therefore, the District selected Cingular Wireless based on the prices set forth in the State of Oklahoma contract. The District considered price as the primary factor in ordering month-to-month cellular services from Cingular Wireless based on the rates set forth in the State of Oklahoma contract.
